

“A Journey to Success of Ms. Motmot M. Dianalen”

“Good attitude is the key to good opportunities” says Ms. Motmot M. Dianalen, 25 years old, a former Government Internship Program (GIP) beneficiary who was absorbed by the Local Government Unit (LGU) Lutayan as a PESO Manager and PODO designate for 1 year and 4 months now.

Ms. Dianalen was a graduate of Bachelor of Science in Business Administration Major in Management last June 2018. After graduation, she has found her first employment opportunity as a GIP beneficiary. She became a part of the GIP and assigned at LGU Lutayan, Sultan Kudarat.

As an intern, she always keeps in mind to give her best in every task assigned to her, to be respectful to everyone and to remain humble all the time. Further, when asked on how the GIP helped or influenced her, she said that “GIP helped me develop my interpersonal skills. Many opportunities had given to me to show my skills and I’m so thankful for that.

On July 209, Ms. Dianalen was absorbed by the LGU Lutayan as their new PESO Manager and PODO designate. According to her “Being one of the GIP absorbed by the LGU was a blessing, and being designated as a PESO/PODO was a beautiful gift for me. It led me to see the real situation of the community and the people that needs assistance and support from government”.

“Thank you DOLE for giving me the opportunity to work on such an innovative agency. Your support and advice have helped me reached where I am today. I promise to honor your belief in me by giving great at work”, she also added.
